Prabin Chaudhary

Software Engineer

I am currently enrolled as a computer engineering(4th year) student in Cosmos College of Management and Technology. I am interested in web development field and I am seeking excited opportunity related to same field.

I am always curious about things and enjoy learning. I like to solve problems and fix errors. I am a detailed oriented person and I keep my goals and tasks organized to maintain productivity.

I believe that the skills that I have attained from dynamic environment and competitive university life define me and I am looking forward to implementing and polishing them in any opportunity that I receive.
